Subject - Remission of Rs 64/- being the shandy khist amount in Bagepalli Municipality

I am forwarding herewith the file of records received from the President, Bagepalli with his report No MLC 55 of 46-47 dated 11th January 47 on the above subject, I have the honour to state that the right to collect ground rent at the shandy of Bagepally municipality was leased to Abdul Sattar of Gudibanda town during the year 43-44 for a sum of Rs 193/- per annum This lease amount was being recovered in monthly instalments of Rs 16/- It is seen from the records that a sum of Rs 64/- is out standing in the name of the contractor and that this amount relate to the months of January 44 to April 44 The Contractor applied for the grant of remission of this amount as the shandy was stopped during these four months due to prevelance of plague The Shandy was not stopped under a notification of this office but the municipal council admit that the contractor did not collect any fees during these four months when congregation at the

at the shardy was prohibited on account of plague -

This subject was discussed at the meeting of the council held on 30th June 44 and it was resolved that months khist amounting to Rs 64/- may be remitted copy of the resolution is enclosed in the records for ready reference The subject dragged in correspondence till now as the contractor had not kept any accounts of the realisations to show that he had really sustained a loss The contractor however has been repeatedly urging for the remission of the amount as he really sufferred a loss It is clear from the records that the shandy was stopped during these four months and that it is but reasonable to remit the shardy khists relating to these months I agree with the council and request you to kindly obtain sanction of Government to remit a sum of Rs 64/- out standing recovery in the name of the contractor for more than 3 years

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District
